D5 SERIES

THE 4 PASSENGER REVOLUTION

HDK engages in the R&D, manufacture, and sales of electric vehicles and is the world's leading manufacturer of fleet golf carts, personal, commercial and utility vehicles.

The new model D5 is more intelligent, dynamic and self-assured than ever. With a fascinatingly cutting-edge operating system that adapts more accurately to your needs and preferences every day. Comfortable ride for 4 passengers with luxury seats featuring convenient enclosed storage for all of your adventures. Nothing appeals to the eye more than an aura of strength and athleticism. With an even more expressive golf cart design, D5's advanced electric powertrain delivers exhilarating performance. The new model has a particularly sporty charisma. Model D5 is an evolution in golf cart.

MULTI-FUNCTIONAL DASHBOARD

9" MULTI-FUNCTIONAL TOUCHSCREEN

Touchscreen integrated with speed display, Driving Gear indication, Lights, Odometer, Radio, Music, Bluetooth Connection, Back-up camera image display, etc

ADJUSTABLE STEERING COLUMN

D5's adjustable steering wheel is specifically designed to make the driving easier and allow the driver to have more control over the driving view/distance between steering wheel and driver/the feel of steering wheel grips. It works by tilting up and down, depending on what makes it easier for the driver to drive.

STANDARD CYLINDRICAL HDK SOUND BAR

The most important advantage is the compact size and what is included in that compact size. There are sound bars with extra speakers, it can be connected wirelessly through the screen. Adjustable light modes with speaker lights beating with music tune.

FUN.FANCY.KEEPYOURPARTYGOING

FLEXIBLE CONFIGURATIONS FOR REAR COMPARTMENT

LED LIGHTING

BeamAtTheDarkness!
Eco-Friendly. Cost-efficient.
Long Lasting. Hassle-free.

Our personal transportation vehicles come standard with LED lights: high beams, low beam, daytime running lights, turning signals and brake lights for a bright ride. Our lights are more powerful with less drain on your batteries, and deliver a 2-3 times wider field of vision than our competitors, so you can enjoy the ride worry-free, even after the sun goes down.

LITHIUM BATTERY

- ULTRASAFE
- 5-YEAR WARRANTY
- NO MAINTENANCE

The lithium-ion battery packs with integrated battery management system hosts an intuitive software, providing Bullseye Balancing between batteries, seamlessly manages regenerative currents and avoids unnecessary disconnects system. Battery can be connected in parallel, with two batteries as standard, up to 6 batteries can be connected to extend your range. The benefits of lithium-ion battery include lighter weight, shorter charging time, longer life, free maintenance and less electricity bills. EVOLUTION's Partner Program offers advantages you won't find from other lithium battery suppliers.

MODEL: 110AH

MOBILE & PC
LIVE MONITOR APP

25A ADAPTIVE
ON-BOARD CHARGER
